Dear Mr. Thomas HUNDT

My name is Nimout.Mang. I am a student from Passerellesnumeriques Cambodia. I studied on WEB-Programming . After I finished study at high school on 2019, and then I got scholarship at PNC school and after I graduated from college 2021. I got this information from my senior who an ITC at this company and I interested with this position that related with my skill.

According to my study at PNC I had learned a lot of skill such as HTML CSS, Python, C++, Javascript during my college and I have a lot of experience about ITC skill . I working group and shearing knowledge, experience with my friends and other friend during college .

What I want work at your company because I got the information that company has an ITC job, So I went to apply because I want new experience and new knowledge to develop myself to be more capable to work and I love sharing knowledge and group work . I would like to request meeting to discuss how I can help meet your goals, I am available at your convenience and hope to hear from you soon. You can contact me my phone number:086595604 or by email : sophorneng123@giaml.com

Thank you for consideration

Sophorn Eng
